PO Box 5012
Toms River NJ,08753

My name is Anthony Foti. I am President of the Toms River Warriors Youth Football & Cheer Organization, and I am reaching out to you to help make a big impact on our community this year.

The Toms River Warriors Youth Football & Cheer have been supporting youth Football & Cheer since 2021. We are a volunteer run, nonprofit organization that operates year-round to help kids play sports here locally. We have had a big increase in registrations in the last 4 years since merging two local leagues together. With this merger the Warriors program has put together some of the best volunteer coaching staff in the Jersey Shore region. For the 2024 season we expect an increase of 20% in new registrations across all age groups in both football and cheer. Our age groups are 5-14 years old.

Last year our Football program produced state AYF championships at the 14U and 10U level. Also, a group of coaches and players in our program 14U and 12U, won the AYF National Championship in Florida as part of the regional All-star team.

Our 4 cheer competitive teams all got invites to national in Florida D8 group took 4th place, D14 took 2nd and both our D10 and D16 won national championships.

Toms River Warriors inspirational challenger program for youth with physical and developmental challenges, helping them to enjoy the full benefits of Football & Cheer participation in an athletic environment structured to their abilities. More than the skills of baseball learned through the experience, the value of the Challenger Division is found in the proven therapeutic and socialization benefits of participating in sports, the strengthening of participants' self-esteem, the opportunities to mainstream into other divisions of play, and the disciplines of teamwork, sportsmanship, and fair play, which are hallmarks of the Toms River Warriors program. The Challenger Division provides the framework so our programs may offer a structured, athletic activity for all youth in their communities. Playing with the same equipment on the same fields, Challenger Division participants have the opportunity to experience the joys of pulling together as a team, being cheered, and earning awards for their achievements.

The Toms River Warriors Youth Football & Cheer ultimate goal is to ensure that every registered player get the opportunity to play and, in the future, have a facility of our own to call home. To achieve this goal, funding is key. As a Non-profit organization, Fundraising and Grant opportunities are key to our success.

With the help of our local municipal government and local school districts, we have been able to have great facilities to practice and play competitive games and cheer competitions. With that being said we are growing and will need help outside of our standard fundraising.

Sponsorships, donations & Grants help us budget for many expenses throughout the year, including:

- Purchasing equipment and uniforms
- Field and Facility maintenance
- Helping to keep sports affordable for families and providing opportunities to low-income families
- Paying our local referees and officials - typically high school students getting their first work opportunity

There are a few major benefits of purchasing a sponsorship or making a donation to our organization:

- Visibility of your company or organization to be shared with the Toms River Community
- Logo and website link recognition on <http://www.tomsriverwarriors.org>
- Tax Deductions, We are a Non -Profit 501(c) 3 organization.
